# Makes His Own Funeral Plans With Undertaker

Announcing that his wife and mother had died recently and the prospect of going through the heliday season in loneliness was too much to bear, a man who introduced himself as G. Montague. New York attorney called at an undertaker's office here Sunday and arranged for his funeral. He said he intended to kill himself within an hour two. He left a note ordering the coroner to turn the body ever to the undertaking firm.

The visitor said the funeral expenses could be paid out of his insurance. Police started a search for Montague but were unable to locate him.

Financially embarrassed and apparmachine Guns Included
The three units ordered out were from the 179th Infantry. A machine gun company was included.
As the soldiers started for the capital, Adj. General Charles F. Barrett rathroad tracks a short distance west made public a proclamation are made public a proclamation of the Montreal section house near North Ironwood.

The body was found lying face down

The body was found lying face down between the rails approximately 400 yards west of the section house by Mamie Lakkenen, 13, when she was walking along the tracks at 3 o'clock and to suppress all insurrectionary meetings whether held at the capital or any other place in the state."

The soldiers were dispatched with instructions to bar entrance to the capital before 10 o'clock when the house of representatives was scheduled and two deputies. Lee I delick and Looning to the conveys to dispare the degree of the conveys the degree of the conveys the degree of the conveys the c Saturday afternoon. She notified Edwin Nolson and Jacob Nyman at the section house and they investigated

The sheriff's office at Bessemer was notified and two deputies, Leo Isdebski and Dennis O'Leary, together with Coroner Charles Nybers, uled to convene to discuss five charges debski went out after the body. The position of the body indicated that Nykanen had been walking along the track when he decided to end his life. Ho had set his packsack at the side of the track and, taking his razor, out his throat from one car almost to the other in one slash

Double was almost instantaneous, as brulses on the face indicated that he had fallen immediately after slashing his throat.

Papers found in his packsack fur-nished the identification. Receipts for money orders sent to Finland in 1921 and 1922 gave his address as 251 South First Avenue East, Duluth In 1917 he had been living on the same street at a different address, according to a draft registration eard. The Duluth volice were notified, but by 0 o'clock this morning had been unable to locale any relatives.

# OLD ST. NICK?

Santa Claus Looking for Helpers to Make Ironwood Families Happy.

FILL OUT BLANK TODAY

In poorly furnished homes in Ironwood and the district surrounding it there are children who will not be have lost falth in Santa Claus when Christmas morning breaks and they ump out of their meagerly clad beds into the cold chill to run joyously to see what has been left in their stock-

Tears will stream down liny faces and sobs will choke the throats of the little boys and girls who have been missed by the good St. Nick. To the cold atmosphere of those humble homes will be added the grief of some small child, heart broken because faith in always the League of Nations." one of the world's most pleasant legends has been broken.
Eliminate Such Scenes.

The Ironwood Social Service association is making plans, however, to eliminate such scenes during the com-ing Christmas holidays. The association itself does not intend to dis-tribute baskets and gifts, but will not as a clearing house for all lodges, organizations and individuals who may be interested in bringing smiles of happiness to some little boy or girl, according to J. B. Patrick, vice president of the service association. At a meeting of the organization held Friday evening it was unanimously agreed that the service association

yould aid in the distribution of Christmas cheer to the needy familles of the community, the vice president said. The Good Fellow plan was adopted for this vicinity with the association acting as a clearing house for all of the good fellows, Mr. Patrick explained. Fill Out Blank Today. A blank to be filled out by the prospective Santa Claus or Good Fellow will be found in another section of this

paper every day until Christinas Eve. In it the prospective God Fellow will be given his choice of the district where he wishes his charity to go and will be given the choice of the number of Miss Ruth Thornblade, social service

worker, will have charge of the invesson who cares to take part in providing gifts for the poor.
"The aim of the association is to

provide Christmas cheer for every needy family in the community, in cluding Ironwood, the locations, Iron-wood and Erwin townships," Mr. Patrick pointed out

Avoid All Dupliention. "By making a thorough investigation and handling the charity through the andling the charity through the association, we will avoid all in the open by the League of Na-100 families were provided with Christthe social service worker. This year we expect to increase the number cared for, although it will be up to the lodges, organizations and individuals who provide the gifts to decide bigger state of Jugoslavia, Albania never would have dared make Jaces

This plan is far reaching and open for every one, Mr. Patrick declared, as he pointed out that more families could be served and more people will be given an opportunity to aid.

LEAGUE IS FOR

BIGGEST DISPUTES SECRET

EDITIOUS NOTE: This is the fourth in a series of articles by Millon Bromer, foreign correspondent discussing the situation in Burope today.

BY MILTON BRONNER London, Dec. 10-(A)-"But there is

That is the reply one is apt to get when one talks about how Europe is still an armed camp and about how powder barrels in the shape of new Alsace-Lorraines are scattered all over the map of Europe awaiting only a spark to start an explosion. But the plain truth is

league is shriveling up. It started out to be a world league. But that dream ceased abruptly when America would have none of it. Then the most populous country in

Europe—Russia—with the biggest As-latic possession in the world—Siberia E. West by Mrs. West (above), 21latic possession in the world-Siberla -refused to have anything to do with the league, Theh Spain gave notice that it intended to withdraw, because It was not given a permanent heat clawhammer and table leg, she went in the council and some of the South La the party according to the council and some of the south La the party according to the council and some of the south of the council and some of the council and some of the south of the council and some of the south of the council and some of the south of the sout American states grew cold towards the fession. The league tends more and more to

be a league principally of European states dealing with European matters. Also it tends more and more to be a debating society.
"Open Covenants"

But that is not all. When President Wilson was bulling for the principle of the League of Nations and a new diplomacy, he spoke of "open covenants openly arrived at." That meant full publicity, dealing in children or families he wishes to make the open in front of witnesses who epresented press and public.

No longer were a few old men, sitting in secret session, to decide the tigation committee for the social asso- inte of nations. The League of Naciation and will assign children or tions, in solemn conclave assembled, families to each organization or per- was to prevent wars. The league, by its massed opinion and its massed power was to force nations to keep the peace,
Well, the plain truth is that

league is bold where small nations are concerned and timerous where the big ones are the principals. More and more the tendency is to keep greatest European problems.

aupheation and will be assured that thous they are discussed in secret by the needy family which comes to the association's attention will be overlooked. Last year through this association to the big four—England Response to the bi tend the meetings of the League of Nations but their most important mas dinners and in many cases clothing and toys after an investigation by work is done outside the league. Armed peasants and working men wearing red brassards swormed the streets of Canton. All shops closed. Other advices stated that 20,000 Communists took advantage of the

river to meet a threatened invasion from Kwangsi. They disarmed police and took control of the city.

# Senate Bestows Medal of Honor on Lindbergh

Washington, Dec. 12—(P)— The senate today followed the action of the house in unaulmously voting the congressional medal of honor for Col. Charles A. Lindbergh.
Senator Blense, Democrat,
South Carolina, however,
brought up the question of the
legality of conferring the medal

on Col. Lindbergh. Although in favor of the action, he was of the opinion that the honor could be conferred only on men in action. Sen. Reed, Democrat, Missouri,

Washington, Dec. 12-(A)-A move to clear the way for the government to obtain the testimony of M. T. Ever-Forty-three Others Rescued hart, who refused to answer questions in the Fall-Sinclair oil case, was begun today by Sen. Walsh, Democrat, Montana, who asked the senatz to pass a bill which would make it pos-

Fall to testify. The Montana senator, who prosecuted the senate investigation of the naval oil leases, proposed to reduce the statute of limitations in govern-ment fraud cases from six to three years. Under such a law Everhart, who declined to testify on the ground that it might incriminate him, could

sible for the son-in-law to Albert B.

Sen. Walsh also asked that it be made mandatory for a convicted person to accept a presidential pardon. It had been suggested that Everhart could be pardoned if he was ordered punished because of his testimony. Everlant is the man the government

contends carried a large amount in liberty bonds to Fall after he had leas-ed the Teapol Dome reserve to Harry

Has Four International Problems on Way to Settlement; Gather in March.

Geneva, Dec. 12—(/P)—With four in-ternational problems, including the Polish-Lithuanian controversy, on way to settlement as a result of its deliberations, the forty-eighth session of the council of the League of Nations adjourned this morning to meet in March. Officials said that no arrangements

have been made, although Rome has been suggested in some quartrs as of-fering a way of bringing about a meet-ing of Foreign Minister Briand of France and Premier Mussolini. The Polish-Lithuanian disnute was liquidated by an agreement of the two

to convene the March session at Rome

countries to enter into direct negotialons with each other for the settlement of heir differences and it is likely that a conference soon will be held at Riga, Latvia

from obligation to make full payment for the battle cruiser Salamis contracted for in a German shippard befree city of Danzig to have a Polish munitions depot there either removed altogether or placed under pertial control of Danzig, were referred to a mixed body and a local conference, respectively for solution. Another question which was amicab-

ly liquidated was the indemnification of Bulgarians who left Greece for Bulattempt of Gen. Chang Fak-Wei to naria, the property affected totalling disarm certain of his troops Red about \$34,000,000. Both Greece and Bulgaria agreed to accept the rulings of a mixed commission.

# LINDY IS UNABLE TO LEAVE FOR 10 DAYS Consults With Weather Bureau

Officials in Regard to Mexico Flight.

Washington, Dec. 12—(P)—Col. Charles A. Lindbergh probably will not be able to take off for Mexico City for another 10 days, he said after consultation today with weather bureau of-ficials and officers of the naval hydro-graphic office. This statement fol-lowed a report that a low pressure area of the Aladoc crew aboard, was frezexisted over the Elo Grande. on in during the return trip, but the Lindbergh called at the office to fill Crawford succeeded in breaking a lane existed over the Rio Grande.

in details of the chart of his New York to Paris flight. After nearly an hour's safely aboard, work over the chart, the filer called on 22 M Capt. Emory S. Land, assistant chief of the Bureau of Aeronautics and a cousin of Lindbergh's mother, to discuss details of the navy's cooperation in the Mexico City flight. Capt. Land offered all the facilities of the department and assured Col. Lindbergh that naval communications as well as the bureau of aeronautics would assist him in every possible way.

Practically the entire navy depart-ment stopped work to welcome the filer and after leaving the hydrographic office, he was forced to push his way through hundreds of clerks who gath-ered in the corridors to cheer him.

### COAL OPERATORS DECLINE TO ACT AT JOINT MEETING

Cleveland, Dec. 12-(2)-Coal opera-tors of Ohio today declined to particlnate tomorrow in the joint conference of operators and miners called by Secretary of Labor Davis.

S. H. Robins, president of the Ohio coal operators' association in a telegram to Secretary Dayls said:
"We will not meet with representa

tives of the United Mine Workers of America with whom we have no contract and with whom we have severed all relations and who have no interest in the properties we control. . NewspaperARCHIVE®

from Two Vessels Wrecked in Recent Storm.

BUFFALO BOAT IS MISSING

Sault Ste, Marie, Mich., Dec. 12--(P)--Survivors of the wrecked steamer Lambton were landed at Goulais Bav 19 miles noth of Sault Stc. Marie, Ont. this morning, after drifting with the storm and waves across the White Fish bay since last Thursday. Two of the crew drowned, a man named Moon of Owensound, and another named Buird of Marytown, Ont. The survivors are to be brought to Sault Ste. Marie, Ont.

-After 43 men had been rescued from two vessels wrecked in the Great Lakes, coast guardsmen today were searching for 22 members of the crew of the steamer Lambton, that crashed on a shoal at Parisienne Island, near herc and broke in two. The hulk, buckled amidships, and

Sault Ste. Marie, Miela, Dec. 12.-(17)

completely sheeted with ice, was dis-covered Sunday by the tug General while enroute to Detour with members of the crew of the wrecked steamer Agawa, wreck of the latter vessel off Manitoulin Island. Unable to reach the Lambton because of dense ice formations, the General called two tugs from here. They circled about the wreck but reported

no signs of life. A landing was nurde on the island where footprints were found in the snow leading from the wreck, indicating the crew had aban-FISH NETS DAMAGED Serious damage was done to
